

Attorney Docket: MAK/102/PC/US

IN THE UNITED STATES PATENT AND TRADEMARK OFFICE

In re patent application of: Theodora CALOGEROPOULOU et al

Application No.: 10/531,324 Examiner: Unknown

Filing Date: December 20, 2005 Group Art Unit: 1624

For: Antiprotozoal Ring-Substituted Phospholipids

Commissioner for Patents, P.O. Box 1450, Alexandria, VA 22313-1450

Sir:

Information Disclosure Statement

Applicant submits herewith patents, publications or other information of which they are aware and which they believe may be material to the examination of the above-identified application and in respect of which there may be a duty to disclose in accordance with 37 CFR 1.56.

This Information Disclosure Statement is not intended to constitute an admission that any patent, publication or other information referred to herein or submitted herewith is "prior art" for this invention unless specifically designated as such.

In accordance with 37 CFR 1.97(g) and (h), the filing of this Information Disclosure Statement shall not be construed to mean that a search has been made or that no other material information as defined in 37 CFR 1.56(b) exists.

Each item of information contained in this Information Disclosure Statement was first cited in a communication from a foreign patent office in a counterpart foreign application not more than three months prior to the filing of this Information Disclosure Statement.

The Supplementary European Search Report for application no. 03779386 dated 6/6/2006 enclosed herewith and cited on Form PTO-1449, provides a concise explanation

of the relevance for each reference not in the English language as required by 37 C.F.R. § 1.98(a)(3). A written English-language translation of the non-English language references is not readily available to or within the possession, custody or control of Applicants.

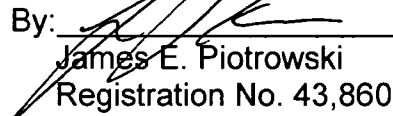

For US national applications filed after June 30, 2003 and International applications that have entered the national stage after June 30, 2003 a copy of a cited US patent or cited US patent publication is NOT required. See OG Notices: 5 August 2003. Accordingly, no copies of a cited US patent or cited US patent publication are enclosed for these applications. A copy of each item other than a US patent or a US patent publication listed on the attached INFORMATION DISCLOSURE CITATION IN AN APPLICATION is enclosed for these applications.

For US national applications filed before June 30, 2003 and International applications that have entered the national stage before June 30, 2003 a copy of each of the items listed on the attached INFORMATION DISCLOSURE CITATION IN AN APPLICATION is enclosed for these applications.

Respectfully submitted,

Theodora CALOGEROPOULOU et al

Date: August 24, 2006
